College Credit Plus & Career Development

This year's annual CCP informational meeting is scheduled for **Monday, November 16 in Room 104 at 6:00 pm**. College Credit Plus is open to college-ready students in grades 7-12. Funded by state education dollars, CCP can help students earn college and high school credits at the same time by allowing students to take college courses from community colleges or universities. This is a great, cost-free way to get a head start on college. College reps. from seven Ohio colleges will be invited to attend. If you are considering taking CCP courses in the 2027-2028 school year, come to the meeting. If you cannot attend in person, please request a Zoom invitation. Some of the college reps from a distance will likely meet us via Zoom, and we'll share the screen for the presentation. **Not interested in college but want to know more about career development and internship opportunities? Come to hear about some exciting opportunities! Please email shacker@shekinahchristian.org. to RSVP and/or to request a Zoom invitation.**
