The next step after completion is to sign up for a consultation with certified consultants, Arnold and Linda Shetler. At least one parent should be part of the meeting which will take an hour or more of your time. This is an opportunity to learn how your personality, skills, abilities, interests and values fit together for God's design and purpose for your life. Graduates who took the assessment and never signed up for a meeting are welcome to sign up below for a consultation to get Career Direct Assessment results. **In addition to the personal life-long benefits the consultation provides you, we use the results when we write letters of recommendation for scholarships.**
