NOVEMBER

Time to reignite ambition and transform dreams into reality.

PRE-ACT DATE SET FOR FRIDAY, NOV. 14

Students at Shekinah have the option to take the PreACT, which is an annual multiple-choice test over English, math, reading, and science, designed to give students valuable preparation for the actual ACT. This test is for 9th and 10th grade students, but 8th graders are also welcome to take it to prepare for the ACT. The ACT is an entrance exam used by most colleges in the U.S. to make admissions decisions. Parents often spend hundreds of dollars on ACT prep for their students because of the difference a few points on a composite score can make on scholarships. Results from the Pre-ACT are a good predictor of how students will do on the ACT. The Pre-ACT (online again this year) takes 2 hours and 30 minutes to administer, and the test environment is set up as similar as possible to the ACT test environment. If you are in 8th-10th grade, please take advantage of this opportunity and sign up below by Friday, Nov. 7.

At least one parent should be part of the meeting which will take an hour or more of your time. This is an opportunity to learn how your personality, skills, abilities, interests and values fit together for God's design and purpose for your life. Graduates who took the assessment and never signed up for a meeting are welcome to sign up below for a consultation to get Career Direct Assessment results. **In addition to the personal life-long benefits the consultation provides you, we use the results when we write letters of recommendation for scholarships.**

This year's annual CCP informational meeting is scheduled for **Tuesday, November 18 in Room 102!** College Credit Plus is open to college-ready students in grades 7-12. Funded by state education dollars, CCP can help students earn college and high school credits at the same time by allowing students to take college courses from community colleges or universities. This is a great, cost-free way to get a head start on college. College reps. from seven Ohio colleges have been invited to attend. **If you are considering taking CCP courses in the 2026-2027 school year, please email lshetler@shekinahchristian.org to RSVP.** If you cannot attend in person, please request a Zoom invitation. Some of the college reps from a distance will likely meet us via Zoom, and we'll share the screen for the presentation.

HONORS GRADUATION

Build a Better Future!

High school seniors are eligible to apply for one of five \$10,000 scholarships to be awarded this year to students who are actively working to make a difference in their communities. Last year there were fewer than 50 applicants, so this is an underutilized opportunity. The top recipient will receive an additional \$5,000 grant to continue funding their project.
